## Who are we?

Professional Concierge Nursing is an innovative Nurse Practitioner led practice where the patient comes first!

### Mission and Values

Professional Concierge Nursing is committed to holistic care. We are triunal beings – spirit, soul, and body. The path to recovery requires treating the soul, which consists of the mind, will, and emotions, in addition to the spirit and body. Our mission is to reach, educate, and empower clients to achieve optimal health and mental awareness to become whole, secure, educated, and healthy.

## Services Offered

### Wound Care Services

- Wound Debridement & Maintenance
- G-tube replacement/discontinuation
- Hypergranulation treatment

### IV Therapy

- Antibiotics
- IVIG
- Vitamin Therapy/Hydration
- ◆ Vaccine Administration
- ◆ School/Employment Physicals
- ◆ DOT Exams (Truck Driver)
- ◆ Suboxone Treatment

## Nurse Practitioner Team

Our team is comprised of non-physician advanced level nurses with primary care, urgent care, home health, hospice, wound care, oncology, mental health, addiction medicine, and correctional health experience.

We will refer you to Physician Specialists as required for higher level care when necessary. We partner with a team for Behavioral Health , Respiratory Services. (PFT's, Home Sleep Studies, Ventilator Care), and Behavioral Modification for Chronic Disease Management thru diet.

We look forward to servicing you and your family's needs.
